EDITOR'S LETTER

Well, it's nearly time for the *Mayfair* staff to put their feet up (OK, head to the pub) for a day or two as I put the finishing touches to another stonking selection of stunners, but if I get there too early I'm in danger of having to put my hand in my pocket, so I'm pretending to be stuck for something to say here. Umm, mind you, looking at the girls we've got lined up this issue, I suddenly feel the urge to put my hand in my pocket after all!

BALLIN' JANE

Dear *Mayfair*,
My wife, Amanda, and I have been married for 12 years now, and although we have had a great sex life all of that time, I wouldn't say we've been particularly 'out there' or experimental. In the last six months, however, we have discovered the joys of watching porn together and this seems to have ignited a new flame under both of us. It was about four months ago that, after a vigorous session, I happened to ask Amanda whether she'd ever had a sexual encounter with a woman – obviously expecting the answer to be no, which I was intending would lead nicely on to the topic of how open she would be to having a lady join us in our lovemaking. Imagine my surprise, then, when she admitted that she had indeed been with a woman and, in fact, was still friendly with Jane, the female in question!

After I had got over my initial shock (and finished asking her why she had never felt the need to divulge this information previously!) I found myself becoming more and more curious about the details. It transpired that they had slept together just the once, a few years before Amanda and I had met, after a drunken night in the disco. And yes, they were still called discos in those days! Amanda seemed to enjoy telling me all the juicy details and watching my reaction to them, so it was little wonder that we ended up having a fantastic, hour-long fuck off the back of the conversation!

Amanda's fling wasn't mentioned again for another week, and in the meantime my mind had been racing over all the possibilities. I broached the subject the following weekend when, during some particularly enjoyable foreplay, I asked her (as casually as I could) if she ever had the urge to repeat the performance. She looked a little taken aback, until I quickly added that it was actually a threesome that I had in mind. A little smile fluttered across her lips and she simply nodded and replied, "I think I would like that very much."

We spoke for a while about who we might invite into our bedroom and how we might meet someone like that, when Amanda said, "Well, what about Jane? After all, we know she's not averse to being with a woman and I know she likes men, too."

And that was the beginning of our little adventure. Amanda rang Jane and asked her if she remembered their rendezvous, all those years ago, and was pleased with the positive reaction she got. Encouraged, she went ahead and asked her rather blatantly, if she fancied repeating the experience with me! I was impressed and rather in awe at her forwardness! It obviously worked, though, because, much to our delight, Jane agreed! The ladies arranged a date that suited us all and we decided that, as Jane lived in London and we are in Brighton, we may as well make an occasion of it and book a hotel room.

So, a few weeks later, Amanda and I travelled to London feeling slightly apprehensive, extremely excited and very, very horny in anticipation of the night ahead of us. I had never met Jane before, so I had no idea what to expect – and the thought of this unknown stranger sharing our bed for the night was enough to make me hard every time it crossed my mind!

> I RAMMED MY PRICK INTO HER AGAIN. I COULD FEEL MY WIFE SLURPING AT HER PUSSY AS I WAS FUCKING IT.

We checked into our hotel and showered, getting ourselves ready to go out and headed out to the agreed meeting place – a bar in Chelsea – with plenty of time to spare. I felt surprisingly nervous as we sipped our drinks and waited for Jane's arrival. We weren't there long, when Amanda suddenly stood up, a huge grin plastered all over her pretty face as she exclaimed, "Jane!" I turned around and was pleasantly surprised: Jane was quite stunning, with beautiful ebony skin, a slim figure and a lovely, welcoming smile.

After a couple of drinks and a bit of small-talk, we all went back to our hotel room and I watched as Amanda undressed her, revealing her slender body slowly and deliberately. Jane's tits were firm and pert, and I felt my cock spring to attention in my pants. Once both girls were undressed their bodies pressed together as they kissed. It was so sexy to see my wife's tanned flesh next to the dark chocolate of our new fuck friend. They moved to the bed and the black girl tasted the ripe peach of my wife cunt. I pulled my cock out and wanked it slowly as I watched. The girl was good! My wife writhed on her tongue, and tweaked her own nipples. It was great to watch, and I know it was good for Amanda – it turns out that a female tongue stuck in her bits gets her off really quickly!

Amanda came quietly – she's no screamer – and slid two fingers into Jane's black slit. She finger fucked her hard, then added her tongue to the mix, sliding it over and around her clit. My balls were aching to shoot my seed up Jane's twat, but I knew it would be more likely that Amanda would want to see my white jizz on her black skin!

Amanda brought Jane off and they turned to me, beckoning me to join in. Of course, I was ready and waiting for this, so I dove straight in! I tasted both twats, then got Amanda to lay back with Jane on top. Both raised the rears so I could get in between their legs and stick my cock into each of their pussies in turn! It was great to dip into my wife's twat, and then straight after the next stroke would be into this stranger's juicy hole!

I fucked them like that for a few minutes, but it started to become uncomfortable for all of us, so Jane got on all fours on the bed, while Amanda lay under her so they could sixty-nine each other. This left the way clear for me to fuck Jane doggy, and I took advantage of that fact.

I slammed my prick into her pussy. It was a pure porno moment to see my pale pole slam into her tight, wet black hole! I rammed my prick into her again and again. I could feel my wife slurping at her pussy as I was fucking it. She stopped and told me that when I came I had to shoot white pearls over Jane's arse! I was in complete agreement and fucked harder still.

Jane came on my cock and Amanda's tongue, and I knew that wouldn't be too long myself. I was glad I'd refrained from emptying my balls for a couple of days, as the more spunk I shot the better it would look on her skin. I pulled out as I couldn't last any longer and wanked myself as I shot a plume of spunk over Jane's arse cheeks. It looked so good, Amanda licked off every last drop, before sharing my spunk in a kiss with her.

We haven't repeated the experience yet, but I would definitely like to. Sharing our bed with another woman has opened up the door to so many more possibilities!

James, Brighton.

ASS TECH CAMERA!

Dear *Mayfair*,
I've always thought of myself as a bit of an amateur filmmaker, so when I spotted a really nice digital camera with HD video in the sales recently I just had to snap it up. I was a bit surprised that my girlfriend Karen seemed so keen for me to spend such a lot of money as well, but I soon forgot about that in my excitement at getting a smart new piece of kit.

A couple of weeks later we both went to my office party. It was a free bar all night and by the time we were ready to head for home we were pretty slaughtered. Karen looked great in her little black dress and it really showed off her fabulous figure. Her body never fails to turn me on and so things naturally started to hot up in the cab on the way home. When we finally crashed back through our front door we were both as horny as hell. Standing in the darkened hallway we carried on kissing. I cupped her boobs and started to massage them, stroking her nipples through the fabric of her dress until they were fully erect. Then I slowly hitched up her dress and traced a way up her thigh towards her knickers with my fingers. Karen grabbed hold of my hand to stop me and whispered, "No. Before you get carried away there's something I want you to do for me. I really want you to film me."

It took a few seconds for it to sink in. Then a broad grin spread right across my face. I'd always wanted to capture my missus being rude and filthy live on camera, but had never had the bottle to suggest it to her before. And now here she was offering one of my best fantasies to me on a plate.

"You dirty minx," I said. "Get your arse up those stairs right now." Karen ran off giggling and I went to find the camera. By the time I'd got a hold of it and headed up to the bedroom Karen was already lying on the bed wearing just her underwear, a tiny red thong and matching peek-a-boo bra. My dick was already on the rise. This was going to be serious fun. I put the camera to my eye and waited for the automatic focus to do its stuff and bring my sexy bird into view.

"OK Karen. This is how it's going to work," I said. "You do exactly what I say. Is that clear?" I was trying hard to come across as the domineering director.

"Whatever you say Mr. Director," she giggled, blowing a kiss into the camera. "Right. Time to get your gear off," I snapped. "Action!"

Looking straight into the camera Karen winked and then began to knead her boobs, coyly at first, then more confidently as she started to rub her nipples with her fingertips. Then, unfastening her bra and slipping it off, her gorgeous breasts swung fully into shot. Karen's eyes closed as she continued to massage her nipples, pinching them and pulling them taught. Lowering one hand to her stomach she then trailed it down to her pussy.

My cock was rampant now as I watched her slide her hand into her knickers and play with herself, her fingers quickly probing inside her love hole. Then Karen hooked both thumbs into the waistband of her panties, raised her hips slightly and slipped them off. She leaned back and parted her legs for the camera, her pussy gaping wide and excited already, a trickle of love juice snaking down towards her bum. I'd never seen Karen get turned on quite so quickly. She was obviously really into being filmed. Spreading her lips wide, she began to rub her clit in small, circular movements. Her hips pushed upwards as she rose to meet her fingers. Little gasps escaped her as she pleasured herself.

"Very sexy," I encouraged. "Now spice it up a little bit for me." Rolling over the bed, she fumbled in the bedside cabinet and pulled out a red vibrator, which I hadn't seen before. She'd been using it on the quiet, had she? Twisting the base, it jumped into life and the low buzzing tone filled the room. Karen then guided the pulsing vibrator across her boobs before sending it swiftly downwards, finally plunging it deep into her pussy. As she fucked herself I just couldn't help rubbing my cock through my pants, trying hard to keep the camera steady. Karen's hand became a blur as she worked the vibrator in and out of her sopping pussy,

SUPER MAC!

Dear *Mayfair*,
What a delight it was to see the incredible Linsey Dawn McKenzie still doing what she does best! I remember being a massive fan of hers back in the late 90s, and nothing much has changed – she's still got her spectacularly sexy body and I'm still a massive fan! Those pictures of her posing in classy lingerie showed off her assets to perfection, so all credit to Linsey herself, and to *Mayfair* for featuring such a national institution, even if she isn't in the first flush of youth any more – just like many of your readers, I suspect!

There's no two ways about it, we're definitely well and truly besotted with Jada Cameo now. She only made her debut last year, but with that fabulous bod (which doesn't half look in this lingerie set) and scrummy face she's definitely made an impression on everyone here!

"Well I'm very glad to hear it!" she grins. "I'd hat to think I was getting my pussy out for you lot and failing to make an impression, that's for sure!"

Well, you know, we've seen a good few over the years, but you're definitely up there with the best!

MAYFAIR

NEWBIE PRIZE

Dear *Mayfair*,
I loved the pics of newcomer Daisy Muller in the latest issue, even if she didn't quite reveal all her charms to us, Lol! I guess as a recent correspondent noted, you're holding something back – or perhaps she's still a bit shy! And talking of newcomers, I know it's her second appearance now but I was totally bowled over by the Kerrie-Lee spread! With her platinum locks, piercing blue eyes and what looks (after much inspection) to be a totally flawless body, I reckon she's definitely a star of the future. Her perfectly shaven pussy looks so inviting when it's finally given full exposure on page 49 that I reckon I could spend the whole day eating it out if she wanted me to – and if I was allowed to do anything else with it, then so much the better! And what a spectacular bum, too! More, please – and soon!
Marcus, Stockport.

driving herself towards orgasm. It didn't take too long before she started to climax, her hips bucking wildly as she impaled herself even further. She then lay back, her breathing still heavy.

"Very nice," I encouraged. "But I want you on all fours. I want to shoot you from behind." Dutifully, Karen got onto her hands and knees and pushed her wonderful arse towards the camera, wiggling it playfully. Then she parted those firm arse cheeks, allowing me to get a lingering shot of her excited, glistening pussy. Picking up the well-oiled vibrator, she rubbed it over her wet pussy lips, savouring the vibrations as she circled the tip over her bubbling slot.

"Rub it over your arse," I ordered. "I want you to be really dirty. Imagine you're a real porn star. Imagine there are millions of blokes watching you, wanting you, wishing it could be them fucking you in the arse right now."

Trailing the vibrator backwards as she began to work her glorious arse, her hips rocked back as she guided herself onto the tip, enjoying the intensity of the sensations. Increasing the pressure bit by bit, Karen's anus began to stretch and accept the pulsating vibro.

"Oh God, that feels big," she mumbled, her head buried deep in the pillow. "But I want it in my arse. It makes me feel so dirty when I have something up my bum. I'm going to push it up right now. I want you to watch me. I want you to film me." Lubricated by her own pussy juice on the vibrator, Karen's arse gave little resistance and she had soon eased in half of the vibrator's length. By now Karen was so lost in her own ecstasy that she had completely forgotten about me and the camera as she slid the vibrator in and out of her arse, her sphincter gripping the plastic tightly. Each stroke caused a muffled cry to escape from her lips.

By now I was finding it impossible to control my throbbing dick, so still focusing the camera on Karen's arse antics, I knelt down behind her cheeks. Pulling my cock out of my trousers and into shot I slowly started to rub it over her bum. Karen responded by pulling the vibrator out of her arse, then looking over her shoulder and smiling at me. Without saying a word she was letting me know that she wanted me to fuck her in the arse. I nudged the tip of my helmet at the entrance to her bum as she quickly slipped the sex toy into her pussy. Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep in her back passage. The vibrations coming from her pussy triggered a sensation in my cock as well, which only went to double my pleasure.

"Come on. Fuck me in the arse," screamed Karen. I had never seen her this dirty!

With each thrust Karen lifted her hips up allowing me to drive harder into her. The sensation was mind-blowing and I knew it wouldn't be long before I had to shoot my load. I could feel my balls tightening, but really wanted to see spunk. I withdrew from her arse just in time to deposit a torrent of thick white come all over Karen's lovely arse cheeks. The feel of hot sticky semen dripping all over her did the trick and again Karen whipped the vibrator out of her pussy and shuddered to a second climax. It was so powerful that she couldn't stay on all-fours a moment longer and flopped face down on the bed. My love juices dribbled down into her crack. How I'd managed to keep the camera rolling while my balls exploded I'll never know, but somehow it worked.

> SHE SLID THE VIBE IN AND OUT OF HER ARSE, HER SPHINCTER GRIPPING THE PLASTIC TIGHTLY…

Everything was right there on film!

We spent the whole night playing back my dirty missus' on-camera arse antics and screwing like mad. The whole experience was fantastic and Karen absolutely loved it. She said she couldn't believe how much it turned her on to be filmed fucking – and how much she enjoyed watching herself afterwards as well. We'll definitely be doing it again before long – maybe with friends to add a bit of extra spice and excitement – and all I can say is that I'm going to buy myself a tripod. I reckon it's even better being an actor than a director!
Mike, Bedford.

Much as we'd like to believe otherwise, we bet you're not really whiling away the afternoon in your lounge peeling your lingerie to one side and playing with your pussy all the time, are you Chelsea?

"Well, certainly not as often as I'd like, no, but I do try and make sure I get a bit of 'me' time in two or three times a week, and I have been known to get dressed up purely for my own amusement. Before, you know, getting undressed again!"

Hmm, we're very glad to hear it – it's very important for young ladies to pamper themselves occasionally – and if they don't mind us taking pictures at the same time, then so much the better!

LEVANTE ONE OF THESE!

An SUV isn't exactly what you might expect from Maserati, but it's a real doozy all the same!

Maserati chose the 86th Geneva International Motor Show to introduce the first SUV in their hundred-year history: the Levante. As with many Maseratis from the past, the new car's name is inspired by a wind: the Levante is a warm Mediterranean wind that can change from a light breeze to an irresistible natural force in an instant, mirroring, no doubt, the character of the first Maserati SUV.

The Levante S is the ideal complement to the Maserati range. Combined with the Quattroporte, Ghibli, GranTurismo and GranCabrio, the range now covers the entirety of the global luxury automotive market. Design, Exclusivity and Performance are the key characteristics for describing this new Maserati. Distinctively Italian in style, with breathtaking and iconic Maserati design features.

The interior has been created with the finest materials – all exquisite to the touch, from optional premium leather to Ermenegildo Zegna silk, made in Trivero by the Zegna wool mill with a patented process. The spaciousness of the interior, enhanced by the panoramic electric sunroof, is combined with coupé-sleek external lines and the best aerodynamic efficiency in its category.

The new Maserati SUV is based on the Quattroporte and Ghibli architecture, further evolved and refined to meet the expectations of this market segment, in which Maserati will compete for the first time. The technology applied to every Levante is designed to offer outstanding performance both on- and off-road. Sophisticated suspension - double-wishbone on the front axle and multi-link on the rear – combined with electronically controlled damping, with four corner air-springs providing 5 dynamic ride levels (plus one additional park-position), play an essential role in the car's handling.

Furthermore, with the lowest centre of gravity in its class, perfectly balanced weight distribution (50-50) between front and rear, high levels of dynamic torsional and flexional stiffness, and a mechanical self-locking rear differential as standard, when driven on-road, the Levante delivers all the performance and emotion typical of every Maserati. The height-adjustment of the body position – particularly useful in off-road driving – guarantees ride comfort at the top of the category; when set to the minimum ground clearance, it enables the car to perform at its sporty best.

> "THE SPACIOUSNESS OF THE INTERIOR IS COMBINED WITH COUPÉ-SLEEK EXTERNAL LINES..."

The Levante is fitted with a 3 litre V6 Twin-Turbo petrol engine with either 350hp or 430hp, and a 275hp 3 litre V6 Turbo Diesel. All engines are combined with the "Q4" intelligent all-wheel drive system - which can transfer torque between the axles instantaneously when required - and an 8-speed automatic gearbox, with integrated Start&Stop System. In terms of performance, the Big Daddy Levante S (430bhp) covers 0-62mph in 5.2 seconds and has a top speed of 164mph. The standard Levante (350bhp) accelerates from 0-62mph in 6.0 seconds and achieves a top speed 155mph, whilst the Diesel-powered Levante (275bhp) covers 0-62mph in 6.9 seconds, and has a top speed of 144mph.

The human-machine interface on board is based on an evolution of the Maserati Touch Control system, completely updated to offer even more functionality and convenience: the 8.4" high-resolution screen is capacitive, and can – in addition to the touch system - be operated using the new rotary control in the central tunnel. A wide range of sophisticated driver assistance systems are available if you fancy coughing up an extra chunk of cash, including adaptive cruise control with automatic Start&Stop function, forward collision warning, automatic brake assist system and lane departure warning. Further options include blind spot alert, surround view camera and a powerlift tailgate.

Two extended feature packs are available for the Levante, a Luxury-Package and a

"ALL ENGINES ARE COMBINED WITH THE 'Q4' ALL-WHEEL DRIVE SYSTEM, WHICH CAN TRANSFER TORQUE BETWEEN THE AXLES INSTANTANEOUSLY."

Sport-Pack; they each include a variety of distinctive stylistic and technical contents and enable customers to extensively personalise the exterior and interior of the Levante. The list of accessories, tailored to the vehicle's high quality and functionality standards, offers a wider array of options than ever before which includes cargo solutions, useful everyday items and a variety of roof carrier or trailer options.

The Maserati Levante is built in a dedicated, completely refurbished and modernized area of the Mirafiori plant in Turin; the first cars have already come off the assembly line and the market launch is planned for this summer in Europe, to be followed later in the year for the rest of the world.

Looking at the delectable Dannii Harwood all dolled up in her finest lingerie, we can't help thinking she's naturally drawn to the finer things in life – haute cuisine, opera and the like...

"Not really, no! I used to go out with a guy who was always lavishing me with things like that, but it all got a bit much! I'd much rather just go to the cinema and then stop off at the chippie on the way home! A pretty cheap date, I guess!"

A very pretty cheap date! Can this girl get any better?!

Scene from MAYFAIR

These isles certainly faced troubled times back in the 70s, and we don't just mean whiplash injuries from massive flares! Still, things were even grimmer in the 40s...

FREE FIRE

Last month we reviewed the rather wonderful *Prevenge* from Alice Lowe and here we are, just four weeks later, and what should plop onto our reviews desk but this, a film from her erstwhile collaborator Ben Wheatley! He's made some of the most arresting British films in recent years – *Kill List, Sightseers* (with Lowe), the loopy *A Field In England* and *High-Rise*, so his latest release was always going to arouse some serious interest. As you can probably tell from the hair and costumes, it's a period piece, set in the 70s and revolving around an arms deal between the IRA and a gang of ne'er-do-wells that, well, doesn't go according to plan. Sounds a bit flimsy, but then as a comedy actioner in the mode of *Reservoir Dogs*, if you've got a good script you don't really need too much plot, and as the exchange descends into a fight to the death, you can help but be carried along by the irresistible verve of the whole thing.

GUERILLA

And from one 1970s set offering to another! It was a tumultuous decade alright, and as well as the Troubles in Northern Ireland to contend with the British authorities also had other balls to keep up in the air – not least the black power movement that was challenging the racist status quo that prevailed. As well as being co-executive producer, Idris Elba features as community leader Kent, a man whose commitment to a non-violent struggle sees him finding himself increasingly out of step with those around him – especially his ex-girlfriend Jas (Frieda Pinto) and her current squeeze Marcus (Babou Ceesay). What with it being the 70s, the cops are mostly bent, inept or both, but the fact that Inspector Pence (Rory Kinnear) is Rhodesian probably doesn't help the matter. Polemic telly from writer John Ridley (*12 Years A Slave*) that's a timely reminder of a troubled period in our recent past.

DUNKIRK

Ok, so the Dunkirk evacuation was quite a long time ago now, but then so was the original screening on this release, which is only now getting its home entertainment release. Back in 2004 nobody had really heard about Benedict Cumberbatch, so he didn't get much billing first time around, but he's top of the list now, with other fantastic thesps like Simon Russell Beale and narrator Timothy Dalton. It's fundamentally a recreation of the events of May 1940, when nearly 340,000 allied troops found themselves cornered by the advancing German army and faced either capture or death – unless an evacuation of unprecedented scale could be pulled off... which, of course, it was! Russell Beale's great as Churchill, and the whole 3 hours are quality from start to finish.

If there's two thing these isles are famed for producing, they've got to be world class rock bands and world class girls – so why not (we thought) combine the two with a set? Cara was definitely up for it too, although it soon became clear she was more worried about damaging her nails than attempting to play the bass guitar…

"Look, would you rather I had gnarly fingers just for the sake of knocking out a few riffs?" she asked at one point, and we couldn't really argue. And besides, looking at her, there's are more important things to knock out than riffs!

Editor's PICK

CAST: Audrey Bitoni, Casey Calvert, Ana Foxxx, Cameron Canela, Davina Davis.

It seems to me that setting a bongo flick in a high class knocking shop's a bit on the obvious side, but then what do I know? I'm sitting here watching scruff while there are a few jammy buggers out there actually creating them. And besides, it could be argued that too much plot is more likely to ruin a stroke flick than enhance it. Anyway, Audrey Bitoni's the madam, who tells her charges that she's got some special missions for them (even without having seen the rest of the film, I bet they all involve shagging) before sending them off on their way so she can settle into what, it has to be said, is a storming opener with Tony Ribas. She really gobbles on his cock, making all sorts of incredible noises before she climbs on for the kind of shafting that requires two pros right at the top of their game.

Stud Kieran wants Casey to be a real life sex doll and she gleefully obliges, her pale buttocks soon pink with the slaps he gives them as they pound away. Ana Foxxx, meanwhile, treats us to a storming bath tease before pairing up with big-cocked Alex D, and Davina closes us out in equally fine style. Quality action, despite the scenario!

MATURE ATTRACTION

CAST: Dorothy Black, Violette Pink, Lena Love, Talia Mint, Alyssa Reece, Taissia.

I'll admit it – I cracked this DVD open primarily because it's got Dorothy Black on the cover – a girl who was a firm favourite in this magazine a decade or so ago and who, clearly, is still going strong! But before Dorothy/Dora herself gets in on the action, we're treated to a scene in which cute Violette, following a phone chat in her native tongue (I wonder what 'Hilfky Milky' means!) starts spying on Lena Love as she rubs one out. Well, following a bit of Grieg's Peer Gynt (a porno first for me, that) the pair of them get it on for a windowsill lickout session that seems to do the job. Next up it's Dorothy, who's interviewing Talia to housesit her villa. When I say 'interview', I really mean 'lezzing up with', because the pair of them are soon at it, Dorothy's rightly-famous boobs coming in for the sort of attention I've often dreamed of giving them, while her pussy gets a tonguing and fingering that could only be bettered by the addition of a cock (mine). Bur wait – Dorothy's back for a threesome at the end that's even better. Attagirl! **Available from your local sex shop.**

Wicked Pictures

INGENUE

CAST: Janice Griffith, Karlee Grey, Mercedes Carrera, Reagan Foxx.

Bearded Tommy Pistol plays Dave Henderson, a poor sap whose wife (Reagan Foxx) and daughter (Karlee Grey) run circles around, one way or the other. I mean, I know he's in a porno flick so he's probably one of the jammiest gits in the world, but you can't help feeling sorry for him as he sits there glumly while his womenfolk lock horns. He even doesn't get any respite at work - everyone there's a cock who's boasting about having mistresses and stuff. All in all, this flick's in danger of turning into a major downer... until gobby colleague Danny Mountain starts spanking Mercedes's shapely arse and the business proper starts. Her glutes jiggle fantastically as she rides him, and she moans and groans like a good 'un until he's plastered her tongue with goo. Karlee's next to the plate, hooking up with heavily tattoed pal Small Hands(!), who makes sure her furry snizz gets a good work-out on the bonnet of her SUV before treating her to a top notch come-shower. MILFy tart Ragan features in the next couple of scenes before the film reaches its satisfying conclusion when poor Tommy's lot improves immeasurably thanks to the delectable Janice Griffith in a really smoking pairing.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A man and a woman get into a lift and the man says to the woman, "Which floor do you want?"

"Bloody hell! It says here that 40% of men are so crap in bed that their partners get easily distracted during sex!"

"Second please," she replies. "I'm going to give blood for £10."
"Oh really?" says the man. "Well I'm off to the third floor to sell some sperm for fifty quid."

About a month later the same man and woman happen to meet in the very same lift once again. "Second floor?" says the man, as helpful as ever. This time the woman's cheeks are puffed out and her lips are held tightly shut as she shakes her head and simply raises three fingers.

A couple are having trouble with their sex life because they have a small flat and an inquisitive 10-year-old son. They decide the only way they can shag in privacy is to send him out onto the balcony and keep him occupied by telling him to give a running report on what he can see down in the street.

"Well, there's a carpet delivery at number 46," he begins. "The postman's just delivered a parcel to Mrs. Unwin's and the Davidsons are having sex." The parents are horrified, immediately stop shagging and ask how on earth the boy can tell that the Davidsons are having sex.

"Easy," he replies. "Their boy's standing on their balcony as well."

A man is prescribed Viagra by his GP, who tells him to take it an hour before sex. He goes home to wait for his wife and an hour before she's due back from work he pops the pill. All of a sudden the phone rings. It's his wife, saying she's been delayed and won't be home for another couple of hours. The bloke panics and phones the doctor to ask what he ought to do.

"I've taken the pill, but by the time my wife gets home the effects will have worn off." The doctor says it would be a shame to waste the pill and asks if the man has a cleaner or a maid or someone. "You could occupy yourself with her," he says. "What the fuck are you on about?" shouts the man. "Do you really think I need Viagra with her?!!"

A woman is sitting in bed one night when she turns to her husband and announces that she's going to have plastic surgery and get her tits enlarged. "But you really don't need surgery to do that," says her husband.

"Oh yeah? How's that, then?" says his highly sceptical wife.

"Just rub some loo paper between them," he replies.

"Oh yeah. And how exactly is that going to make them bigger?" says his missus, sarcastically.

"I don't know," he replies. "But it's certainly fucking worked for your arse."

A man feels ill on his way home from work and goes straight to see his doctor. Four hours of exhaustive examinations later the doctor looks at the man and says, "I don't know how to tell you this, but you've only got 24 hours to live." Horrified by the news, the man goes home, where his wife is already in bed. He creeps into the bedroom, slips into bed and knowing he hasn't got long, makes mad, passionate love to his wife for three hours. Finally exhausted, he crawls to the bathroom and is amazed to find his wife lying in the bath with a mud pack on.

"How the hell did you...?" he starts to ask.

"Sssh!" she says. "You'll wake mother."

Q: How do you spot a blind man in a nudist colony?
A: It's not that hard.

Now unless we're very much mistaken (and it can happen, believe it or not!) we reckon that Amber Jayne here made her first appearance in *Mayfair* back in volume 47 (aham, so five years ago), appeared again that volume and then – well, here we are in volume 52 and she's finally back! What were we thinking of?!

"I don't know – I figured you didn't like me or something!" she pouts, playfully (we think).

Nope, we're pretty sure it wasn't that. Erm, have you been in the clink or something? No? Them we've really got no excuse!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm enjoying my last few days off in Singapore after competing in an annual sports event out here. As a semi-professional swimmer I spend most of my spare time travelling the world to compete in various tournaments. But this time it could be said that not only did I beat some of the competition, I managed to fuck it too!

I first spoke to Tina at the closing party on Saturday afternoon. I'd seen her around during the competition, but as we were in rival teams we'd never really made the effort to speak to each other. She was a bit pissed and began chit chatting to me. I was quite surprised we had so much in common. We really got on well and after I made some throwaway comment about how impressed I was with the hotel, she told me her suite up on the 60th floor was even more glamorous and luxurious. I was curious to see for myself, so I innocently followed her to her suite, which was amazing! We talked about all sorts of girly stuff, comparing notes on how we keep fit. Tina even moaned about how she gets fed up with always having to have perfectly shaved legs and for some reason I ended up telling her that even my pussy's always completely hair free. She didn't believe me, so I whipped up my skirt, pulled down my knickers and flashed my flesh.

"I can't begin to imagine what that feels like," she said. "Well just touch it and see for yourself," I replied. I'd never been with a girl, so showing her my pussy seemed more playful and innocent than sexual... until she touched it! Her fingers brushed the clean-shaven treasure between my thighs and my pulse instantly raced. I experienced a world of new sensations from this one girl's simple touch. She inspected my moistening pussy and I realised I'd never been sexually aroused by a woman before.

Throughout the competition I'd seen Tina wearing skin-tight swimsuits, so I knew that underneath her clothes she was wonderfully firm and toned. Taking the initiative, I carefully undressed her. It felt raunchy and so right, so natural. Before my hands touched her smooth skin I wanted my lips to kiss her first. I worked my way around her body, concentrating my mouth on areas that got the loudest vocal response from her. Pushed up against the thick glass window, with the incredible view of the city surrounding us, I sucked on her tan areolas and erect nipples, imagining the pure buzz she was getting, almost frightened when she looked at how high she was, but not prepared to move away from my mouth for anything.

We touched and teased through various states of undress until we were both naked on her bed. I caught a glimpse of our reflections in the wall of mirrored wardrobes running along the side of the room. She looked gorgeous, and with my toned body next to hers we made the perfect match! I've never spent so much time just sensually touching someone. Hour after hour we licked and stroked, never even penetrating each other's pussies. Tina kept talking dirty to me. She had the most vivid erotic imagination; tales of foul filth spilt from our lips as our cunts creamed and churned out juices. She lightly fingered my arsehole using my own wetness as nature's best lubricant. Her fingers found my ears and my mouth too, but never once entered my forbidden lovehole. Sensing my pressing need for something big, rhythmic and thumping filling my pussy, she leapt from the bed.

"Between you and I, I always carry a cock around with me, but it's something much more versatile and reliable than any boyfriend," Tina announced. She produced a pink, rubbery dildo, which had a suction pad at the end of the balls. She licked the pad, stuck it onto the mirrored wardrobe door at hip height and started giving the thing head (I can guarantee you, any guy would have been envious of that thing). She guided the rigid cock into her mouth, carefully taking it all down. Her cheeks drew in as she sucked and feasted on the thing. She treated it like it was the most precious item she'd ever touched. I could see the action from every angle, whether real or reflection. Her rounded butt ground to an invisible rhythm as she filled her rosy cheeks with the rubber delight. My knickers are wet even now as I picture her beautiful face wrapped around that cock. Tina backed off and quickly indicated to me that it was my turn.

"But don't suck, please fuck," she said. Initially it felt quite odd, seeing myself up against the mirror rubbing the cock around my clit and lips. Getting the confidence to

behind me licking away at my arsehole. As I fucked myself the lips of my clean shaven pussy came into contact with the mirror – the cold so different to Tina's warm tongue. She soon moved upwards, fondling my tits and rubbing her hair-covered clit against my arse cheeks. Before I could let rip and come, she pulled me off, telling me it was time for a change. She put on a high-cut yellow bikini, lent me a skimpy pink swimsuit and told me her plan:

"I've always wanted to use a swimming pool for something much more fun than training or competing," she explained. "So you and I are going down to the hotel pool." With the dildo safely wrapped up in her towel we headed off.

As we were the only people there we messed around in the sauna and Jacuzzi for a bit before diving into the pool. I noticed Tina's nipples stand to attention once we were in the cooler temperature of the pool. My pussy seemed to stir in response, so the dildo was promptly unravelled from

the towel. I sat on the side of the pool, my feet dangling as Tina worked the dildo into my cunt. We noticed the CCTV cameras, but decided that so long as no other team members caught us, we couldn't care less if the hotel security staff got off on watching us getting pleasured.

Tina played up to the cameras, cooking up rude stories about what the security guards would do to us if they caught us. For ease of view we moved onto the poolside lounger, Tina and I now firmly entwined in an orgasm-inducing sixty nine. We hugged each other's bodies, heads in between legs and tongues inside pussies. We came

mount it, I grabbed onto the edges of the mirrored door to steady myself and eased myself back and forth. It felt smooth and wet and amazing. It almost looked like I was fucking myself with a big strap-on.

Parting my butt cheeks, Tina was

together, but my shaved cunt carried on climaxing as she lapped up each spasm like it was the first. When we were through and we finally strolled past the security guards they gave us the biggest knowing smiles ever! We just giggled...

Looking back I realise I was very naïve right from the start. Tina had been subtly seducing me and engineering everything to get me into her bed. And I just hope I never have to compete against her in the future, because I certainly wouldn't be concentrating on the race!

"JUST AS MY PUSSY STARTED TO TINGLE I FELT THIS THICK, HOT RUSH OF SPUNK SHOOT UP INSIDE ME..."

My husband is a complete golf nut and every spare moment he has is spent with his mates at the local course. Just the thought of the game bores me to tears, let alone hearing about it afterwards, so it was a given that there was no way I'd ever be accompanying him to the course on a weekend. So, it stands to reason that I would become slightly bored after a number of years of him disappearing off every Saturday and Sunday – even when it rains, you'll find him in the clubhouse discussing handicaps with his cronies. About six months ago, I found something quite by accident that fills my time – amongst other things – whenever he's off playing with his balls. I play with someone else's!

Bill is a cabbie that I met, purely by accident, on my way home from a friend's house one rainy Saturday afternoon. I booked a taxi to get me home, as I'd had a few drinks and wasn't about to mess about with the bus or train, and it was Bill that showed up to drive me. I was instantly attracted to him and I could tell the feeling was mutual, as we flirted throughout the entire journey.

> "WE FUCKED LIKE ANIMALS, BOTH GRUNTING AND SWEATING AS WE CLUNG ONTO EACH OTHER."

I didn't make any attempt to hide the fact I was married, and he admitted he was engaged, but when we got to my place and he got out to open my door for me, I did something I've never done in my life (and I'm still not sure where I found the courage to then) – I asked him in for a 'coffee'. He agreed and, after the pretence of actually making us both a hot drink in the kitchen, we fell into each other's arms and started kissing.

That didn't last long, though – we were both so desperate for a fuck that we didn't waste much more time on snogging and groping each other. He had my tits straight out of my top and a hand up my skirt, while I went straight for his crotch, unzipping his flies and grabbing a handful of rock-hard dick. He let me undress him, then stood there wanking himself as he eyed me up.

I sat up on the kitchen worktop and held myself open for him to see my juicy pussy, enticing him to shag me. And he didn't need much more encouragement, as he moved towards me, grabbing my hips and sliding his rigid cock deep inside my dripping hole. I gasped, relishing the feeling of this stranger's prick being shoved roughly inside me, and soon I had my legs wrapped around him as he pumped me hard.

There was no romance – not that I wanted any – as we fucked like animals, both grunting and sweating as we clung onto each other and ground our crotches together, juices mingling. He began to screw me harder, really banging into me, making my tits bounce around as he hammered his big prick home. Naturally, all he wanted to do was come and, annoyingly, he beat me to it. Just as my pussy started to tingle I felt this big, hot rush of spunk shoot up inside me before he pulled out, cock still hard and

shiny as he watched me frig myself the rest of the way to my orgasm.

It was ever so slightly awkward as we cleaned ourselves up afterwards and, despite my reservations, he took my mobile number. I'd never played away before and I felt a bit guilty about cheating on my husband, but as I watched Bill drive away, with a satiated feeling in my crotch, I also felt weirdly elated.

I hadn't realized at that time, thinking it was just a one-off quickie, that Bill had got under my skin. I tried to forget about him, but he kept popping into my mind (especially whenever I felt horny, as my sex-life with my husband had gone off the boil years ago), then a few days later I got a text. He said he couldn't stop thinking about me and would really love to see me again.

I could have texted him back and said no, but part of me wondered how I would feel in his company again, if it was just a one-off. We arranged for him to come round on the Saturday afternoon, when my hubby was playing golf (what else?). I had it in my mind that I would tell him that I had enjoyed our time together, but couldn't see him again. To my surprise, however, when I saw him, the lust hit me again. And the feeling was obviously mutual – I didn't even get round to asking if he wanted a drink before he had taken me in his arms and kissed me passionately. This time we fucked on the sofa and it was incredible. He made me feel amazing, licking me to orgasm before he even let me touch his cock, then frigging my clit while he was inside me. I came twice during that session, his hard prick rocking me to my very core.

We've been having an affair ever since, and I'm permanently horny. Bill and I are careful, but we send a lot of filthy texts to each other. Often, I'll be doing something really boring, like shopping in the supermarket, when my phone will beep and it'll be Bill telling me to picture his stiff prick hammering in and out of my frothing twat. A couple of times I've had to find a quiet place and stick my fingers down my knickers until I'm satisfied!

With us both being in relationships, we don't really spend any quality time together, so it's usually a quick bang while my husband is playing golf. Bill has started parking up around the corner and the second I'm alone, I text Bill who sneaks in the back door, so as not to alert the neighbours. I know this won't last forever, but I'm enjoying it while I can, and I don't have any intention of splitting from my husband. It does give me a nice little hobby to occupy myself instead of being a bored golf-widow!

MAYFAIR

MAYFAIR Classic

28 years ago our fraught Brexit referendum was a long way off – whenever we got a French girl in the mag everything was very cordial - even if we did describe them as unconventionally attractive, which seems a bit harsh to me! Still, With her freckles, statuary and furry muff we reckon Danielle represents a perfect example of late 80s womanhood, and we're sure many men at the time would have been only too delighted to give her Fifi a stroke...

The French, as ever, have a word for it, *la belle-laide* — the unconventional beauty, a girl whose looks stray from the paths of traditional attractiveness, yet this somehow this seems to only serve to make her still more desirable. Such a girl is 23-year-old Danielle Barrault from Rouen, France.

'I was very self-conscious about my body,' says 34-25-36 inch Danielle. 'It was that my freckles would be the biggest turn-off for any man. Happily, my very first boyfriend, George, an Englishman, was wild over them, said I had more beauty spots than the whole of his Lake District!'

This is Danielle's first try at modelling. Usually she works as a translator for a well-known firm of international publishers. At present she lives alone in a one-bedroom flat with her beloved French poodle called, would you believe, Fifi.

Mayfair has always shared unconventional girls with readers, knowing that you are sufficiently discerning to appreciate them. Danielle, though, was not so sure. 'I hope you know what you are doing,' she said. We think so.

Bugger me – at this rate it won't be long before we're all wetting our knickers over the next John Lewis Christmas advert on the telly! August's issue in the pipeline already?! Well, thankfully, we've got plenty more treats to dish out before the evenings start to draw in properly, not least the most welcome return of two of *Mayfair*'s favourite babes in Chloe Toy and Tommie Jo! So if you like your babes busty or hard-bodied, you're sure to find something to tickle your fancy next issue – and if you don't like either of those options then I don't know what you're doing here in the first place!
